DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This Communication contains the corrected, annotated IDS sheets for instant application 10/581,446. The purpose of this Communication is to address the inadvertent submission of the IDS for copending application 12/306,887 to the Image File Wrapper of the instant application (and vice-versa).

The IDS references intended for the instant application have been added to the Image File Wrapper on 5/13/2011 and were considered on 5/16/2011. The instant application is maintained to be novel and nonobvious over these submitted references and the prior art of record.

A summary of the correspondence between applicant's representative (Garth Dahlen) and supervisory patent examiner (Mark Eashoo) taking place on 5/13/2011 is attached to this Communication.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MICHAEL A. SALVITTI whose telephone number is (571)270-7341. The examiner can normally be reached on Monday-Thursday 8AM-7PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Eashoo can be reached on (571) 272-1197. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
